SARSAPARILLA.

Is a compound of the virtues of sarsaparilla

as a compound of the virtues of sarsajarma, stillingia, mandrake, yellow dock, with the iodide of potash and iron, all powerful blood-making, blood-cleansing, and life-sustaining elements. It is the purest, £ afest, and in every way the most effectual at erative medi-

cine known or available to the public. The sciences of medicine and comistry have never produced so valuable a remedy, nor

never produced so valuable a remedy, nor one so potent to cure all discuses resulting from impure blood. It cures derofula, and all scrofulous discases, Erysipelas, Rose, or St. Anthony's Fire, Pimples and Face-grubs, Pustales, Blotches, Bolls, Tumors, Tetter, Humors, Salt Rheum, Scald-head, Ringworm, Ulcers, Sores, Rheumatism, Mercurial Disease, Neuralgia, Female Weaknesses and Irregularities, Jaundice, Affections of the

ment and decay. It stimulates and enlivens the vital functions. It promotes energy and strength. It restores and preserves health. It infuses new life and vigor throughout the whole system. No sufferer from any disease

which arises from impurity of the blood need

despair, who will give AVER'S SARSAPARILLA a fair trial. Remember, the earlier the trial, the speedier the cure.

Its recipe has been furnished to physicians

everywhere; and they, recognizing its superior qualities, administer it in their practice.

For nearly forty years Aven's Sarsapa-Rilla has been widely used, and it now pos-sesses the confidence of millions of people who have experienced benefits from its mar-
